VMC Heavy Duty Weighted Swimbait Hook 6/0, 7g From VMC

VMC Heavy Duty Weighted Swimbait Hook Qty 4

VMC Heavy Duty Weighted Swimbait Hooks with a spring design lure holder are the perfect solution for most your swimbait fishing. The tapered locking spring securely holds your plastic lure in place cast after cast on the black nickel extra wide gap hook, extending the life of your soft plastics and allowing the angler to easily add or remove bait without damage. Great for snaggy areas with it's 'weedless' presentation. The weight can be moved back or forward to vary the sink rate and action of lure.

- Extra Wide Gap
- Tapered Locking Spring
- Adjustable weight position
